Tom Shideler - Commodore

Commodore's Report

Author Lewis Carroll wrote the following in a segment of *Through the Looking-Glass and What Alice Found There*, "The time has come," the Walrus said, "To talk of many things. Of shoes—and ships—and sealing-wax—of cabbages—and kings."

Well, the time has come for me to write my last *Periplus* article as a Bridge officer of PCYC. Unless I missed one along the way, this will be Number 36. The objective of these articles is to keep you informed of what is happening at the Club and to encourage more participation in specific activities. I confess to occasionally straying from that objective because I felt other contributors to the *Periplus* were covering the subject better than I would. Besides, it was fun writing other stuff! I attempted to keep all articles somewhat nautically related but looking back through my computer files, I realize this relationship was a little loose at times.

The past three years on the Bridge have passed so quickly. You never get done all you intended to do. On the positive side, along the way you get to better know some great people. The bottom line is: NO REGRETS. Thank you for giving me this opportunity.

See you at the Club!

Looking for the perfect gift for family, friends or business associates?

PCYC has one! Members can purchase a "Gift a Dolphin" certificate.

The recipient will enjoy PCYC facilities and activities for 60 days as a Dolphin.

They only need to pay for their food & Beverage (unless you decide to handle that too).

The cost is only \$450 (2-months dues).

It's a great gift! One that both giver and receiver will enjoy!

For more information, call the club 805.985.7292

Of course, there is also a Regular Membership certificate available.

Pay the initiation fee of \$3,500 and give a gift that keeps on giving.

Jerry Kaufman - Vice Commodore

Vice Commodore's Report

Gear Locker: The Gear Locker will be adding all new for fall, warm knit caps with fleece liners for men and ladies, patriotic beanies and for getting in the holiday mood "Glitter Caps." They have also been listening to requests for our junior fleet by adding a kids line of "bucket" hats that are UPF50+ and base ball caps for kids in assorted colors. Due to demand they reordered the "boonie/bucket shape" hat in nylon and "coolmax", with a chin cord for our boaters and fishermen, in sizes Large and Extra Large, in khaki. The merchandise is really attractive this year. Thanks so much Vikki and Audrey.

Also, the Gear Locker needs to make room for the new winter gear. So watch for their **BIG** sale.

House Committee: As the Dining Room Remodeling/Soundproofing project begins to wind-down we turn our attention to other projects that can be handled in short order. For example, Bill's bar lights were burning out like semi-monthly. Josh Sanchez fixed that for us. Thanks Josh. A number of small electrical and wear and tear issues exist on our guest dock. Rudy is going to be working on them. Also, our storage area oozes mud along its dirt hillside. Rudy is going to install sandbags so that when you go into the area the cement floor will be dry. Thanks Rudy. Also, thanks to Graham we have just acquired two badly needed items for our kitchen, a freezer chest and a griddle.

If there is something that you think the House Committee should look into, please leave a note in the suggestion box at the Front Desk or email me directly.

Membership: As part of the Membership Committee's mission to introduce our neighbors to the Club, Saturday October 21st the Membership Committee conducted an Open House for interested Oxnard Shores/Hollywood Beach homeowners new to the area over the last 4 years. Personal invitations were mailed to about 100 prospects. Attendees were treated to a beverage, hors d'oeuvres, and for some, an electric boat ride. Plans are being made to conduct other similar events, as they seem to be well received. Vikki and Roxy want to thank everyone who has helped this year with the Open Houses sponsored by the Membership Committee.

The Membership Committee has an idea for Christmas/birthday gifts: they are planning to offer a "*Gift a Dolphin*" certificate. Members may buy a Dolphin gift certificate for a 40+ year old family member or friend or business associate. The cost of a Dolphin certificate is \$450 (the same as two months' of a regular member's dues.) The certificate may be used over 60 consecutive days (term of a Dolphin certificate). Certificates will be available at the Front Desk.

Can't stress enough the importance that each of you can play in the success of membership. Simply being inclusive to those who seem to need a friendly gesture will insure both a happy membership and many more members.

Your picture in our Roster: In order for our next Roster to be a more meaningful reference source, November and December are to be designated "picture months." 140 of our members, (over 40%) have our burgee instead of their picture in our Roster. The Front Desk will be announcing plans to obtain or take your picture for our upcoming Roster. Please, please make an effort to get your picture in your Roster. Thanks so much.

Skip Harkson - Rear Commodore

Rear Commodore's Report

It is hard to believe that the year is almost over. This year we have had great Socials thanks to Cyndi Walker and all of the people who have supported her. Thank you Cyndi! Our Halloween party is one of our favorites. The costumes are very creative. Rick Eberst will be taking the photos. Thanks Rick!

Ladies Who Do Lunch really put in the work and it sure paid off. Hard to mention all who helped out but Social Chair Claudia Calig and Pam Miller went above and beyond. So much planning and hard work paid off. They raised over \$19,000 for the St. John's breast cancer center. This year's selection of items sold was vast and was really nice. Don't forget the upcoming LWDL December 14th. This is our Christmas luncheon where vendors display their goods.

Joanie Wolf and Shayna Base have been working on the Parade of Lights entry. We had their first meeting where a drawing of the entry was shared. The work they do goes through to the Parade. They have done a super job on creativity!

Brenda Dickmann - In General

Happy Holidays! It is so hard to imagine that we are already heading into the Holiday spirit of 2017. After having 104 degree weather at the beach in October it's a little hard to think about the holidays!

We had lots to celebrate at the Mermaid Inn last month- birthdays, anniversaries and completion of the renovation project. The Dining Room looked fantastic. The lighting was perfect and the sound was just right! Drum roll, please!...First ticket for the \$750.00 drawn was won by and in attendance, Bernard Kummer! Congratulations! Look for the next Mermaid Inn and the chance to take home \$150.00.

November is a busy month. Remember the Annual Meeting on November 4th. Daylight Saving Time ends that weekend. Still to come are the Volunteer Breakfast on the 11th; the Calendar Meeting and New Board Orientation on the 18th, and, of course, Thanksgiving.

It's time to say goodbye! Front Desk afternoon Assistant Manager, Morgane Caen, after two years, has decided to move on and relocate to Bakersfield. We will miss her beautiful smile and her wonderful French conversations. Please welcome Madi (Madison) Schmader to the position of Front Desk Assistant! Madi graduated from CLU (California Lutheran University) in 2017, with her BA in communications. Madi's parents were former Honorary Members of PCYC. Her father was the CO (Commanding Officer) living on the Naval Base in Quarters A. Her mom, Sheryl, used PCYC to cater Community Events at Quarters A. Madi is a self proclaimed Crazy Dog Lady, a NAVY BRAT and as, she says, "Proud of it" for 16 years of her life.

It's great to have Madi here working. She's a breath of fresh air. It's nice that she understands how PCYC operates. Please stop by and say hello to our newest PCYC family member!

As always,
Brenda

To all PCYC cruisers!!!!!!

There will be no further Cruises scheduled for the remainder of 2017. However, a new exciting format for the 2018 season will be forthcoming, so stay tuned and be ready to head out on new adventures.

Sincerely,
Bruce Walker
Fleet Captain Power

Claudia Calig - Ladies Who Do Lunch

To all the members at PCYC ...

As you are aware, PCYC's "Ladies Who Do Lunch" holds an annual fundraiser luncheon, with all proceeds from the auction benefitting St. John's Cancer center of Ventura with 100% of the funds staying in Ventura County to help cancer patients acquire wigs or prostheses.

This year I am excited to tell you, we raised over \$19,000.00 !

It's with special thanks to amazing members like you who made this happen. I would like to thank each and every one of you for your support and such generous donations which made our event such a huge success. I express my gratitude to all the ladies, members and non-members whose tireless efforts did not go unnoticed and are so appreciated.

So many of you spent so much of your time gathering items for our opportunity baskets, collecting donations from vendors all over town, donating your personal items, making centerpieces, decorations, selling support pins on Friday and Saturday nights, setting up cleaning up...the list goes on and on.

I just wanted to thank you all from the bottom of my heart for making our PCYC gift to this most important cause a reality!

Sincerely,
Claudia Calig

Chair - Ladies Who Do Lunch

Annual Meeting
Saturday, November 4th, 2017

9AM: Registration.

Summer Slam 2017 Fishing Tournament

The PCYC Summer Slam 2017 Tournament finished on September 29th!

PCYC had its second Summer Slam Fishing Tournament in 2017. Twelve Club Members' Boats, Captains, & Crew fished the Tournament.

Captain Mike Haase of "Tight Riv" won the 2017 PCYC Summer Slam Tournament, bringing in five 1st Place fish: White Sea Bass caught by Grandson, Austin Haase that also placed 1st in the Jr. Big Fish category, Yellowtail caught by Mike Haase, and Ladies Big Fish with a Released Marlin caught by his wife, Gina. That same Marlin also placed 1st in the Billfish category for first caught/release. Captain Dave Diaz of "Lauren Sea" won 1st Place for the 2017 PCYC Summer Slam Big Fish with his Halibut that also won 1st Place for the Halibut category. Captain

Phil Peck of "Bonza" won 1st place for the Calico category. Captain Mike Cromer of "After Midnight" won 1st Place for the Lingcod Category and Crew Member, Pepe took 1st Place for Tuna category with his Yellowfin.

The tournament was four months long, which gave everybody plenty of time to catch fish and have fun on the water. There are a number of different species we fished for, giving all participants a chance to target their favorites.

The 2018 Summer Slam will take place from June thru September next year. We are looking forward to having more Club Members fishing with us on the water and would love to hear input from all Tournament Members on any changes they wish to see for 2018. If you are just learning, or a seasoned professional, everyone is welcome to join in! We are more than happy to help anybody that would like to get into fishing. All participants are available to help out in any way possible to make it a successful fishing season for all.

We will announce a Captain's/Crew meeting as soon as possible and hope that all of you and more can join us on the water next year. Let's make Summer Slam 2018 the best Slam yet!!

If you have any questions please do not hesitate to call Mike Haase at 805.432.3006

Warm regards & Happy Thanksgiving,

Mike & Gina Haase, Phil & Adrienne Peck

Note from Co-Chairs Phil and Adrienne Peck:

It truly has been a pleasure to Co-Chair the PCYC Summer Slam Fishing Tournament the past 2 years with Mike and Gina Haase. We have had a lot of fun, met some great PCYC Fishing Members (and their friends), and truly enjoyed the camaraderie during and after the Fishing Tournament Season. We can highly recommend participating and helping to make 2018 PCYC Summer Slam Tournament a great success, as it has been the past two years. We will miss all of those at PCYC and hope to continue to share "Fishing Stories" from everyone in California and from our new home on the Big Island, HI. Aloha!!!
