Commodore's Report

I hope you all come to PCYC a whole lot this month. The Club will be beautiful and festive from top to bottom—it is all a very magical transformation. The newly decorated main dining room has become the perfect place to entertain family and friends. The dining room will be transformed several times this month.

First is the Holiday Boat Parade on December 9th . Please come enjoy the buffet and then cheer our entry and see if we can win for the third year in a row. Thanks so much to Johanna Wolf and Shayna Base for spearheading the complex and exhausting project and special thanks to Peter and Lyndsay Timpson for letting us use their boat for the Parade.

The following week, December 16th, is the annual “No Business in Show Business Holiday Show”, under the direction of Doris Melillo and Graham Wilson. A lot of talented PCYC folks of all ages will be performing for you. This is an evening is for the whole family.

Finally, on Sunday December 31st is our New Year's Eve Party. If you have not been to this event before, you have missed a very special evening with grand dining, entertainment and just plain fun. Please plan to attend.

To dine in our dining room, please be sure to make reservations to all of these events since there are many private parties during December and the Club tends to be generally busier.

For those of you who are looking for gifts don't forget the Gear Locker. Vikki and Audrey have stocked the Locker with great stuff. I can attest that my college age grandchildren really like a gift from the Locker. And you can give a very memorable and unique gift of a Dolphin Certificate to family and friends that might be potential members. The Certificate permits use of PCYC dining/bar/events for 60 consecutive days for \$450.00. (Price excludes food/beverage.)

And lastly, I would like thank you for electing me your next Commodore. The New Bridge and Board are all busy preparing to make 2018 a very successful year. So, I end with the very Best Wishes for you and your family to have a Merry Christmas, a Happy Chanukah and a Happy New Year!!

Vice Commodore's Report

I really am looking forward to being your Vice Commodore! Commodore Jerry Kaufman and his House Committee have done a wonderful job on the dining room remodel. There are many issues we will address this next year. I will keep you posted.

I attended the November Membership Committee meeting. Chairman Roxy Gross has done a great job this year and is staying on for next year. Our number one mission is getting new members. We will again host a new membership drive where we have host members giving tours of the club in addition to giving Harbor tours on Cutie and my boat Out To Sea. It was a great success this year.

I really want to thank Char Holliday for stepping up as Chair for Officer of the Day. This is an important job and I encourage members to volunteer if Char gives you a call.

Across from our home Joanie and Shayna are actively working on the finishing touches of our Parade of Lights entry. All I can tell you is it looks Fantastic! Looks like another winner for the Club!!

We have many Christmas activities planned for December. Please show your support and enjoy the hard work our members have put into all our activities.

Merry Christmas and Happy New Year!

John Gaddis - Rear Commodore

Rear Commodore's Report

Ladies and Gentlemen, start your engines. As I begin my year as Rear Commodore, I'm looking forward to hitting the ground running. I'm proud to be a part of the Bridge that includes Jerry Kaufman, Skip Harkson and the men and women that make up the Board of Directors.

My family says I'm a "typical guy". As many of you who know me will understand, I'm the guy who's quick to offer help, but I have a hard time asking for it. It should come as no surprise that I'm the guy who never pulls over to ask for directions. So it's with great humility that I ask you to help me to make this a great year. Let me explain what I need.

First thing I need is your support for our social events. My wife Donna and I are bringing back the birthday and anniversary dinners we used to have a few years ago. When I was new to the club, I thought it was great to not only go to the dinners for my birthday, but also to go and celebrate the birthdays of my friends. I have very fond memories of these events. We stopped doing them a few years ago, but I want to start it up again. Donna and I will work hard to make your birthday or anniversary an affordable and fun night you'll remember.

Second, I am encouraging every member of this club to be a part of the Photography committee. No matter what event you attend, or even if you're just hanging around at the club and see something cool, take a picture of it and send it to me. Your photo may be published in both the Periplus and the website. If you're interested in helping with the website or if you just have a suggestion on how to make it better, I need your help. Do whatever you want to do, there's a place for you volunteering here at the club. Send me an email at johnwgaddis@gmail.com or talk to me at the club. - John

Looking for the perfect gift for family, friends or business associates?

PCYC has one! Members can purchase a "Gift a Dolphin" certificate.

The recipient will enjoy PCYC facilities and activities for 60 days as a Dolphin.

They only need to pay for their food & Beverage (unless you decide to handle that too).

The cost is only \$450 (2-months dues).

It's a great gift! One that both giver and receiver will enjoy!

For more information, call the club 805.985.7292

Of course, there is also a Regular Membership certificate available.

Pay the initiation fee of \$3,500 and give a gift that keeps on giving.

Brenda Dickmann - In General

On a personal note, I would like to thank the Board of Directors, Flag Officers, Committee Volunteers and all the members, for the insightful wealth of knowledge and support you have given to me and to the staff. THANK YOU.

To my Commodore, Tom Shideler, you are an inspiration to me. Your drive and energy has inspired me to another level. Your warm caring attitude towards the club, members and employees is immeasurable. Thank you.

On behalf of the entire PCYC Staff, I would like to thank you from the bottom of my (our) heart for your extreme generosity towards the Employee Holiday Gratuity fund. The staff will receive their Gratuity checks in plenty of time for Christmas. Many thanks in advance from each and every employee. We thank you for this wonderful opportunity to be of service to you; we will strive to continue to be the

best for PCYC!

I hope your Holiday is one to remember.

See you next year!
As always,
Brenda

P.S.

Just a reminder - we still have Change of Watch, Parade of Lights, Ladies Who Do Lunch and, of course, New Years Eve. Please call the Front Desk for your reservations.

Annual Meeting 2017

Kevin Dickmann - Fleet Captain Sail

It has been two months since my last update on the sailing activities at PCYC. A lot has been going on. We had 4 TGIS races with the final race of the series being sailed Sunday Nov 26 th . Since I am writing this before I cannot predict the overall winners but Rumbylowe skippered by Doug Russell and his crew are in a good position to take the overall Non-spin Class trophy. In the spin class Selavy sailing in one of her early series has control of second place. Her skipper Bill Schneberg has put together a crew though novices at racing have performed remarkable. They are Commodore Tom Shideler, Sparky Miller, Tom Quigan, Larry McGrath, Doug Russell, Joe Jensen, Doug Adams, Bill Sutherling.

On a side note Bill has become a new Sailboat owner last month purchasing a Catalina 30 named "Fairwind". Fairwind has been a long time member of the sailing fleet previously owned by Jerry Wells and Jack Schuler.

It is exciting to see our sailing program to start to get some traction and is growing. Don't get left on land, become a part the fun and exciting activity that our club has to offer.

With the completion of one series, another one starts, Dec 10th is the first race of the TGIS winter series. Race two will be in January.

Happy Holidays to all!
